

## The Illustration Work Of Ben Fellowes

Everyday there are new and upcoming artist who decide to take on the challenging world of the creative industry, and everyday many have their dreams torn down and decide to turn away and simply give up on following a path doing something they so dearly love because they may have come across a tough point in the early days of their career. However there are those they stay strong like Ben Fellowe's who has decided to stay and leave his mark on the world with his creative genius to show the world what a true designer is truly made of.

Who says being a freelancer is easier? As many would know it is probably one of the hardest and unreliable jobs one can have, one can never be too sure where the next pay check is coming from, so the only way for one to survive in working in this fashion is to build up a strong portfolio and huge client list. Although Ben is still somewhat fresh on the scene in comparison to other artist, he has had no problem in doing this and has been able to keep his place on the design front and begin to progress forward where the boundaries of his success will become limitless.

Ben has been in the industry for just 6 years now, working with clients and agencies as well as full service advertising and marketing firms. Keeping his skill set wide and knowledgeable has surely been an advantage for this young designer.

Using his talents as a graphic designer he has been able to produce artwork like nothing one has ever seen before. Ben is also well tailored in the mannerisms of new media and art direction.

Over time Ben will continue to share his art with the world and over the years we will see evolution and change in the style that Ben decides portray his art. It may change for the better, it may change for the worst, but seeing what he has done so far, there should be no reason for concern.

It is almost certain than Ben will come across obstacles on this journey of his, and dependant on how strong and focused his mind is on being the best will determine the outcome of the hardships in which he may face.

To catch some of Bens best and latest work he has kindly allowed us to view his online portfolio which can be viewed [here](#).
